

**Olney Elementary is helping students to “dream, prepare, and succeed.”**

**\*Dream\***

Providing opportunities for students to explore the world through literature, hands on experiences, and exposure to various career opportunities.

Fields trips in every grade

College visits

Career day

Exposure to the arts

**\*Prepare\***

Using every resource at our disposal to ensure that students are getting the foundational skills and critical thinking skills they will need to excel as they move forward.

A strong focus on early literacy

Partnering tutors with students in all grades

Continual data assessment and tracking the progress of each individual student

**\*Succeed\***

Pathways are created to allow students to pursue their dreams.

Teachers and students push to excel state academic expectations

We set a goal that all Olney students are accepted into city-wide magnet or city-wide select high schools

**Points of Pride**

Ranked **# 1 out 225** Philadelphia public and charter elementary schools in progressing students over the last 3 years.

Ranked **6<sup>th</sup> out of 2,000** Pennsylvania Elementary Schools in literacy progress over the last 3 year.

One of the few schools in the area to be named a Reinforce school on the School District of Philadelphia’s, School Progress Report Card.

Active sports and arts programs.

Over 70% of our 8th graders were accepted into city-wide magnet or city-wide select high schools in the 17-18 School Year
